Dear Cardinal Law,

In answer to your request of January 13, asking that my letter regarding Fr. Raymond Boulangier, S.M., be shared with Fr. McCormack and Sister Mulhern, and those associated with them to work on such cases, I give you my full consent to do so. I only ask that my name be kept as confidentially

"THE LORD HEARS THE CRY OF THE POOR"

as possible, as it was
sixteen years ago. Fr. R. Boulanger
never knew who had
reported on him.

My reason for asking
so is that the Marist Fathers
are very dear to me, since
 of my own brothers were
themselves Marists until their
death, and I have most of
my life worked with the
Marist Fathers. There are
many fine men among
them.

Thank-you for all you
do for the diocese.

Sr.
