Dear Girl 1,

Everything upset for me because i am not returning to greenbush.  
 Lots of people emailed to me why not returning?  
 They are all missing me a lot.  
 i miss them all. Especially all the seniors .  
 Everybody is crying for me.  
 They all feel very very sad about your mum's false accusations.  
 Really my intention is to make you happy and glad in your life.  
 But everything turned against me.  
 It is devil's work.  
 I was very happy about your good loving friendship but everything misunderstood.  
 To help you i got bad name.  
 Anyway everything was over.  
 i can not regain my good name.  
 But i like your friendship and appreciate your strong decision of becoming a religious sister.  
 I always help you.  
 i never forget your friendship.  
 My desire is always you must be happy and glad.  
 You are most welcome to India.  
 I open my arms and welcome you with kind and loveable heart.  
 You made a Big Turning point in my priesthood.  
 I learnt lot of things from your friendship experience,  
 I see there is lot of crooked people who have no broad mind in usa.  
 Everything they see in sexual eyes.  
 But i love you sincerely i guide you in a right path.  
 I love you Girl 1 you do your graduation well.  
 After a month or 3 months i send you some gifts for your daily use of study.  
 with love jp For your question i answer you when you call?

Hey,  
On account of you i suffered a lot.  
To help you i showed my kind and love .  
I did my spiritual guidance and healing prayer and counselling to you.  
Still i have love towards you and guide you.  
But if you go to chancery and if you say about our friendship again there is misunderstanding  
will come.  
So please be calm.I am not coming back to usa.  
I settled here and stay here and do my spiritual ministry.  
So do your studies well and try to come and visit India.  
I trusted you fully and save my good name.It is in your hands to save my good name.  
Don't spoil my name like your mum.I trust you fully.

Hi Girl 1

Received all your mails.I was in a diocesan seminar for 3 days.So i could not send you the mail.  
You say always that you are going to tell the truth.  
Yes you know what is the truth.  
You were so tensed,depressed,suppressed and you were suffering from lot of stress i wanted to help you.  
I wanted to make you glad.  
I liked to guide you.  
I expressed my love and kind towards you.More than that i did not do any harm for you.  
Everyday i prayed for your joy and happiness to mother mary by reciting the rosary.  
Some of the things i gave you as a token of love.  
I never wanted any physical relationship or any sexual relationship but only a pure love and friendship.  
I did only 3 things spirtual-guidence,healing prayer,and counselling.  
If you believe that i am a trust worthy friend welcome to India to visit.  
My LOVE towards you is pure,trusting one,always i have helping tendency to you.  
Anyway now you need to study.  
I try to send you the mail often.But always be a trustful friend.  
Don't threaten me.  
I believe in the grace of Jesus and mother mary.  
I miss you i love youMay god bless you.jp

 With open heart i welcome you to come to India and visit.  
 Go to the church one day sit before the blessed sacrament and tell the lord to give the grace to forget all the  
 past.  
 I am always here to love you and to help you. Don't tell anything to any humanbeing except to the blessed  
 sacrament jesus.  
 Since i started to love you and help u i got into trouble and lost all my good name. But i did not worry because i  
 have the satisfaction that i helped Girl 1
