12. DELETED

13. Liens:

Each Plaintiff represents that there are no liens or claims of liens against, or assignments in law or equity of his or her claims or causes of action released herein by each such Plaintiff. To the extent that there are any liens arising from the claims released herein, each such Plaintiff agrees to satisfy those liens with his or her individual portion of

validity of this Settlement Agreement, attempting to rescind, negate, modify, reform, or to
enforce this Settlement Agreement or any of the terms or provisions hereof, or alleging the
breach of any of the material terms herein, the prevailing Party or Parties shall be entitled
to the recovery of reasonable attorneys' fees and costs, in addition to any and all other
remedies he/she/it may have as set forth herein or at law or in equity.

15. Submission Of Documents And Hearing Regarding Release:

PRINCIPLE OF PRODUCTION: The production of materials set forth below is
agreed to in recognition of the fact that the Documents to be produced have been or would
have been subject to discovery obligations in the litigation of THE ACTIONS.

(A) Submission of DOCUMENTS.
(1) Within Forty-Five (45) days following the execution by all Parties
and delivery of this Settlement Agreement to counsel for the Franciscan Friars, the
Franciscan Friars will produce to plaintiffs' counsel and each of them, and for lodging with
the Hearing Officer, the following documents (hereinafter collectively the
"DOCUMENTS" or "THE DOCUMENTS"):

a. The personnel files of any alleged perpetrator of childhood sexual
   abuse in THE ACTIONS (hereinafter "ALLEGED
   PERPETRATOR");

b. Any "confidential" file of any ALLEGED PERPETRATOR.

c. All documents previously withheld from plaintiffs in the Clergy I
   and/or Clergy III litigation in THE ACTIONS, as described in the
   Franciscan Friars' privilege logs that relate to allegations of
   childhood sexual abuse.

d. All transcripts and audiovisual recordings of deposition testimony
   taken in THE ACTIONS.

e. A new privilege log reflecting any withheld DOCUMENTS.

(2) With regard to such production of THE DOCUMENTS, the Franciscan
Friars shall be entitled to withhold and/or redact such DOCUMENTS to assert the
following ONLY:

a. Attorney client privilege;

b. Attorney work product privilege;
c. Third party privacy rights (i.e., not belonging to an ALLEGED PERPETRATOR). The redaction by the Franciscan Friars on the basis of alleged third party privacy rights shall NOT include, however, the redaction of any information where the privacy right is outweighed by a public interest in disclosure based upon the fact that the information sought to be redacted:

(1) Affects public safety issues relating to childhood sexual abuse;

or,

(2) Reflects the knowledge of the defendants as to the suspected sexual abuse of a child; or,

(3) Reflects a “cover-up” of the suspected sexual abuse of a child.

d. NAMED DEFENDANT RELEASEES, specifically excepting only defendants who are also ALLEGED PERPETRATORS, may NOT assert third party privacy rights of ALLEGED PERPETRATORS. To the extent that a defendant is also an ALLEGED PERPETRATOR, he or she may only assert his or her own privacy rights, and not the privacy rights of any other third party.

e. Psychotherapist/patient privilege, physician/patient privilege and/or priest/penitent privilege, only to the extent that the Franciscan Friars have the standing to assert such alleged privilege;

f. First Amendment of the United States' Constitution and the religion.
clauses of the California Constitution with regard to formal documents
reflecting a petition for laicization ONLY, and ONLY as to Gary Pacheco,
Robert Van Handel, Dave Johnson and Gus Krumm. Any other alleged
assertion of United States' Constitution First Amendment and/or California
Constitution Religion clauses will NOT be asserted by defendants.

g. Defendants shall NOT assert any mediation privilege with regard to the

DOCUMENTS

The Roman Catholic Archbishop of Los Angeles shall not withhold and/or redact any
documents to be produced by the Franciscan Friars under this Settlement Agreement.

(3). On the copies of THE DOCUMENTS provided to Plaintiffs' counsel pursuant
to paragraph 15(A) 2c (third party privacy rights), the redaction of any information shall be
made in a manner to allow Plaintiffs' counsel to consider the proposed redactions (i.e. with
a translucent highlighter) and ALL redactions provided to the Hearing Officer shall be
done in this manner (with a translucent highlighter) to allow the court to consider such
redactions.

(4). Within fifteen days after receipt of THE DOCUMENTS, with such proposed
redactions and/or withholdings, Plaintiffs' counsel will notify counsel for the Franciscan
Friars as to which, if any, of the proposed redactions or withholding can be subject to
stipulation, and which, if any, are disputed.

(5). Within fifteen days thereafter, counsel shall jointly submit to Judge Lichtman
or such other designated Hearing Officer:
(6) Upon such submission to Judge Lichtman or such other designated Hearing Officer, the Franciscan Friars may, within fifteen days thereafter, provide appropriate notice of the potential release of such documents to any ALLEGED PERPETRATOR and/or any affected third parties, including but not limited to any member of the Franciscan Friars. Any third party may submit his or her objection(s) to the Hearing Officer, and shall have thirty days to do so.

(7) Judge Lichtman or such other designated hearing officer shall thereafter hold a hearing, not earlier than fifty days after the submission of the DOCUMENTS to determine:

a. Which redactions and/or withholdings shall be allowed;

b. Which redactions and/or withholdings shall be disallowed;

c. Whether any third party objection(s) shall be allowed or disallowed, and shall thereafter issue an order authorizing the release to the public of all appropriate redacted and/or un-redacted DOCUMENTS. By this Settlement Agreement, Plaintiffs and their counsel agree that redacted or withheld DOCUMENTS will not be released to the public or provided to third parties unless authorized by order of the Hearing Officer, or prior binding order of the Court.

(8) All Parties and affected third parties reserve the right to assert that any rights
were or were not previously determined by proceeding or court order in Clergy I and/or Clergy III, or otherwise, provided that Plaintiffs shall not contend that any Party other than an ALLEGED PERPETRATOR has waived the alleged right to assert the confidentiality of any DOCUMENT or part of any DOCUMENT by failing to assert such right under any prior order, and providing that the Franciscan Friars shall remain subject to the restrictions set forth in paragraph 15A(2).

(9) In determining any proposed redaction on the basis of third party privacy rights, as asserted by Plaintiffs or the Franciscan Friars' counsel, Judge Lichtman or such other designated Hearing Officer shall consider the same parameters set forth in paragraph 15A(2) utilized by counsel in considering the proposed redactions, and all counsel stipulate and agree that this is the standard to be applied to requests or objections raised by Plaintiffs and the Franciscan Friars. Third party objections, including those asserted by any defendant who is also an ALLEGED PERPETRATOR, are not bound by this contractual standard; it is the intent of the parties that such third parties may assert any objections supported by the law.

(B) Use of Confidential Plaintiff Questionnaires.

Defendants and their insurers may use any questionnaire or mediation DVD prepared by a Plaintiff or his or her attorneys or agents, after giving Thirty (30) days written notice to that Plaintiff’s counsel of their intent to do so, and only in connection with any action in which it is either pursuing or defending a claim of indemnity arising from that Plaintiff’s claims, or in connection with a good faith settlement motion or any
action to enforce insurance coverage with regard to that Plaintiff's claims. The questionnaire or mediation DVD shall be used so as to maintain the confidentiality of the Plaintiff except as is necessary for the parties, witnesses and/or their attorneys (and attorneys' staff) to know in such subsequent action, and any such person shall be required to maintain the confidentiality except as necessary to litigate the subsequent action.

16. Designation Of Hearing Officer Regarding Release Of Documents:

Subject to his designation by the Honorable Haley Fromholz, Clergy I Coordination Trial Judge, which shall be jointly requested, the Parties agree that all applications for release of the Documents, and any objections thereto, shall be submitted for consideration to the Honorable Peter Lichtman or such other designated hearing officer, Judge of the Los Angeles Superior Court, or such other judicial officer as the Court may deem appropriate ("the Hearing Officer").

17. Entire Agreement:

The terms of this Settlement Agreement are contractual and not mere recitals. The Settlement Agreement constitutes a single, integrated written agreement expressing the entire full and final agreement of the Parties hereto. No conveyance, agreements, representations, or warranties of any kind have been made to any persons hereto, except as specifically set forth in this Settlement Agreement. All prior discussions and negotiations have been, and are, merged and integrated into, and are superseded by, this Settlement Agreement. The Settlement Agreement is executed without reliance upon any representation by any of the Parties, and the Parties have carefully read and understand the
contents of the Settlement Agreement and signed the same of their own free will.

18. Prohibition Against Oral Modification Or Waiver:

No modification or waiver of any of the terms of this Settlement Agreement shall be valid or enforceable unless it is in writing and signed by the Party to be charged thereby.

19. No Confidentiality:

Except as to the true names of the Plaintiffs who sued under fictitious names and the amount of any Plaintiff’s individual settlement amount (which Plaintiffs specifically request to remain confidential and shall remain confidential unless waived by that Plaintiff), as provided by law or as otherwise set forth in this Settlement Agreement, the terms of this settlement are not, and shall not be construed to be, confidential and may be fully and publicly disclosed by any Party.

20. Controlling Law And Venue:

The Settlement Agreement shall be interpreted in accordance with and governed in all respects by California law, notwithstanding any conflicts of laws analysis. Any action at law, suit in equity or judicial proceeding for the enforcement of this Settlement Agreement or any provision shall be instituted in the courts of the State of California, County of Los Angeles.

21. Preparation Of The Settlement Agreement:

The Settlement Agreement is the product of negotiation and preparation by and among each Party and their respective counsel. Therefore, the Parties acknowledge and
agree that the Settlement Agreement shall not be deemed prepared or drafted by one Party
or another and shall be construed accordingly.

22. Counterparts:

The Settlement Agreement may be executed in counterparts and all so executed
shall constitute one agreement, which shall be binding upon all Parties hereto,
notwithstanding that all Parties' signatures do not appear on the same page.

23. The Materiality Of All Terms:

All Parties expressly acknowledge and agree that each and every term and
condition of this Settlement Agreement is a material part of the Settlement Agreement and
constitutes a material part of the bargained for consideration which has induced the Parties
to enter into this Settlement Agreement.

24. Limitations And Warranties:

Except for the express provisions of this Settlement Agreement, none of the Parties
(or any agent, employee, representative, or attorney of the same) has made any statement
or representation to any other Party regarding any fact, matter, or thing relied upon in
entering into the Settlement Agreement; and none of the Parties is relying on any such
statement, representation, or promise by any other Party (or any agent, employee,
representative, or attorney of the same) in executing the Settlement Agreement, or making
the settlement provided for herein. Each of the Parties has made such investigation as it
deems necessary of the claims released herein, including without limitation THE
ACTIONS, the settlement provided for herein, the Settlement Agreement, and all matters
pertaining thereto. Each of the Parties represents and warrants that there have been no assignments or sales or transfers, by operation of law or otherwise, of any claim, right, cause of action, demand, obligation, liability, or interest released by any of them as provided for herein.

25. Enforcement of Settlement Agreement:

This Settlement Agreement, including all exhibits hereto, is and shall be a binding agreement, enforceable under California Code of Civil Procedure Section 664.6. The Parties hereto consent and agree that the Superior Court of the County of Los Angeles shall retain jurisdiction to enforce the terms and conditions of this Settlement Agreement, including the right to assess attorneys' fees and costs against any non-complying Party in favor of a Party compelled to take enforcement action. Orders of the Superior Court under this Settlement Agreement, including orders made under paragraph 15 herein, shall be subject to normal appellate rights and procedures, however to the extent that any party elects to appeal the Court's ruling under paragraph 15 herein as to the disclosure of any particular document, this shall NOT constitute a stay with regard to the Court's ruling regarding the release of any other document or documents. The Parties further agree that this Settlement Agreement may be introduced into any proceeding for the enforcement of the terms hereof. This settlement is intended to be and is a full and final resolution of the claims set forth in THE ACTIONS. The ongoing litigation in the coordinated proceedings of CLERGY I and CLERGY III, including but not limited to the pendency of any appeals therein, shall not affect this resolution and/or any enforcement of the provisions of this
Settlement Agreement.

26. Alternative Dispute Resolution:

Any controversy, claim or dispute arising out of or relating to this Settlement Agreement, or the breach thereof, shall first be submitted to mediation with the Honorable Charles McCoy, Judge of the Los Angeles Superior Court, or such other judicial officer as the Court may deem appropriate. This provision shall not impair or be in lieu of the right of any Party thereafter to seek relief from the Court on any matter relating to this Settlement Agreement, including the interpretation or enforcement thereof.
