OFFICE OF THE SECRETARY FOR CLERGY

FROM THE DESK OF: Reverend William J. Lynn

TO: Reverend Monsignor James E. Molloy
Assistant Vicar for Administration

DATE: February 18, 1994

RE: Materials in Secret Archives

RECEIVED BY
ASSISTANT VICAR

FEB 18 1994

OFFICE OF THE VICAR
FOR ADMINISTRATION

Father Beisel and I reviewed the 323 files that are presently stored in the Secret Archives. Attached is a list of priests who have been guilty of or accused of sexual misconduct with a minor according to the file material. We were very literal in our reading of the files in order to be as accurate as possible with this list.

From our review: a) three priests have been diagnosed as pedophiles; b) twelve priests have been either found guilty or admitted guilt of sexual misconduct with a minor; c) twenty priests have had allegations of sexual misconduct with minors made against them with no conclusive evidence to prove guilt. Only basic information is contained in this report so as not to have too much in writing on this matter. Also attached is a listing of extern priests who fit these categories and whom the Archdiocese has some awareness. The list of externs is provided to complete the picture.

Under separate cover, I will be making recommendations about the other files presently stored in the secret archives. Most have to do with alcoholics or priests who left the priesthood.

Of those listed on the attached sheets, my immediate concern is Father James Dux. Recently, I had a telephone call where the caller said that he had allegations to make against Father Dux which dated back some twenty years. I offered to meet with him. The caller said he was not sure of his schedule and would get back to me. To date, I have not heard from him. Father Dux will be seventy-two years old in November, 1994 and could be offered retirement.

RECOMMENDATION:

1. That the Secretary for Clergy meet with Father Dux, explain to him the atmosphere of our times regarding these matters, and offer him retirement at Villa Saint Joseph in Darby at the next available opening.
