Sexual abuse by Catholic priests and the years of cover-up, have left many parishioners wondering who they can trust. While most of the clergy are honorable and trustworthy, some are not and they continue to violate the trust of the innocent and vulnerable. Churches have failed in their duty to protect some of its children from abuse, and have instead been protecting themselves.

If you or a family member were a victim of clergy abuse, call attorney Donald S. Edgar today. We will hold accountable those who violated your trust.
