

11/21/96

Met with Harry Armit.

Reviewed the case.

Explained how he told me in 1987 that this matter was about a little girl sitting on his lap - untrue! "That is what started it."

He was terribly hurt by Bishop Speyree who told him to get as far away as he could and don't come back.

Feels there is a lot of anger and revengeful feelings out there.

Blames the seminary system for not helping us deal with our sexuality.

What do I say? You have been advised for health reasons not to do any ministry.

Now about the Bible Study I'm part of - disassociate yourself from all Church related activities.

What about your name appearing for Resurrection's Confirmation 11/23/96. I know nothing about it - I did not respond to that - perhaps they put me on automatically because I have ministered there.

Why did you produce a check for  without checking first with the Diocese?
