Rev. Gerard Smit
105 Justis Way
Elkton, MD 21921

Dear Father Smit:

Father Lemon, Vicar for Clergy, has spoken of your work in the parishes of Cecil County and indicated that you should now receive the faculty sheet for the Diocese and be put on the mailing list.

I enclose a copy of our faculty sheet and also the November issue of our Chancery Digest which appears quarterly.

In the future, you should be receiving it on a regular basis.

May God bless you in your ministry in the Diocese.

Most sincerely yours,

Rev. Msgr. Joseph F. Rebman
Chancellor
