

~~DOBOITY~~ ROZANSKI

7/10/82

Today - I called
Chen today
when the letter
came in - he
will call Dr. Smith
and set up an
appointment. I
told him to indicate
that Dr. Smith could

say Mass privately
but that he should
hold off on public
masses until the
situation is reversed.
Clem indicated
that you and he
had discussed
the Dr. Smith matter
and I remember our
discussions also.
